2. I have noted that the allocation of accommodation is made according to the availability of the establishment. Therefore, no choice of mobil-home is possible. However, if you know our campsite, do not hesitate to let us know your preferences in terms of area (for example: near swimming pool / entertainment etc.)

I declare that I have read the general terms and conditions of hire and undertake to comply with them in full. (Precede with the words "Read and approved")
