To confirm your reservation 25% of your total holiday should be paid :

- I have read and accepted that security bracelets must be always worn during our stay, that swimming shorts are not allowed in the lagoon or in the Vitality Pool, that the Vitality Pool is strictly reserved for adults (+18) and that the topography of our site is not adapted to people with reduced mobility.
- I have noted that the allocation of accommodation is made according to the availability of the establishment. Therefore, no choice of mobil-home is possible. However, if you know our campsite, do not hesitate to let us know your preferences in terms of area (for example: near swimming pool / entertainment etc.)

I declare that I have read the general terms and conditions of hire and undertake to comply with them in full.
